### **Please read over carefully!**

1. No one is permitted backstage except recital volunteers and students. ONE parent per student may take their child to their designated dressing room. Dancers will stay with their class during the performance and may be picked up at the dressing room once the show is over – this is to help avoid distractions of people moving around during the show. Our policies are designed with your child's best interest in mind and we thank you in advance for following them.
2. **NO CELL PHONES OR RECORDING DEVICES.** If you disturb others by taking video and/or photography you will be asked to leave. Nothing ruins a moment like someone's iPad in the air blocking your view.
3. **AUDIENCE ETIQUETTE: Do not leave your seat while a group is performing!** If you must get up during the recital, please wait until the dance on stage is finished. Be Courteous to the dancers!

Help make the dancers feel good about what they are doing...it is okay to clap for a group during their dance – not just at the end. And we encourage you to support all of the dancers! Be generous with your applause! Dancers will be more at ease and they WILL smile more. These are your precious children – let them know you can see how hard they've worked all year!
